“ *Sandy was the prettiest person I have known and just as pretty on the inside.*

“ *I didn't know Sandy well, but, enjoyed being around her. She always seemed the same beautiful, sweet person every time I saw her. And I know her husband James loved her so deeply. Even if he was singing across a crowded room. he would see her and you could feel the love float across the room. I am so happy this couple was joined together by God, all these years. And I know Sandy is singing now.*

*I am so sorry for your loss. And James I have enjoyed the songs you have written. I would have loved to have heard you sang together. But i know she is in a better place now. God bless you in this time, and keep up the good work,.
