“ Sharon was such a sweetheart. I always looked forward to talking to her, especially about softball for her grandbabies. She was an amazing client and even better person, one of those clients I'd gladly call my extended family. Peace to her and everyone her life touched.

“ Always a smile and a kind word are just one of the ways I will always remember Sharon. I always looked forward to seeing her and Richard at any county meeting or when I would travel to the courthouse. They were a team that was always fun to be around. Richard and the family are in my prayers.
