“ *I am so sorry to read about Sherry's passing, but I know where she is now. Heaven's gain is our loss, but Sherry is happier than we can imagine. She worked at C.D. Franks when I was teaching there. She was a great substitute teacher. I never had to worry about my class when she taught for me. I moved away in 2007 and have not kept in touch. I know you will miss her smiling face and presence in your lives, but she is not far away. We have hope of seeing her someday because Jesus paved the way for us to follow her to Heaven. May God bless all her family and friends with happy memories.*
