“ *Teri dear, it saddens me to know and to understand just how very much you miss your beautiful Mom. I know because I too miss my own Mom terribly, even after 14 long years. I don't think the "missing them" ever goes away, but please try to find comfort in the knowledge that your Mom still lives deep within your heart, and that she is still very much a part of your life. The love and comfort she gave you in life will remain with you forever.*

God bless you and your sisters and brother Robb.

“ *My Mother My Best Friend,*

I love you so very much, I wasn't expecting this day 2 years later to be as hard on me as it is. I miss you so very very much, I went to sleep crying last night and when I finally fell asleep you came to me in my dreams. It was really nice because you told me I had you for one last day. I didn't get to ask you all the questions I wanted to or tell you everything that has been going on in my life. Thank you Mother for comforting me, but now today I need you even more.

*I love you & will Forever Miss you,
Your Daughter

“ Dear Ken and Family of our beautiful Shirley,

I am so sorry to learn today of my cousin's passing. Tho we were little girls together, growing up in Marshall, Shirley and my "older" cousins always considered me the tag along. I loved them all dearly. The last time I saw Shirley was at my mom's funeral in 2001. I thought she was so beautiful.

Please know that my thoughts and prayers are with each of you. I know you will miss her beyond measure.

Love,

“ Dearest Tracie,

Knowing you is proof that your Mom must have been a wonderful woman. She must have been very proud of her girls. After meeting your sisters and seeing you all together this past Fourth of July, I know I am correct in saying you were raised by a good woman. I am so sorry for your loss.

May your memories give you strength...I am here for you.
