“ Stacey, I am so lost without you and I was not ready for you to go. The Lord was ready for you to come home though and was there with open arms to receive you. I will forever hold you in my heart and miss you like no other but I am glad to know that you are no longer in any pain and will be there to greet me with that enormous smile of yours when it's my time to go home. I will keep my promise to always look after Em and I know you will keep yours in being my special Angel looking over me. You will be missed like you cannot imagine. I love you
