“ *"We are so sorry for your loss. Words fail." If we could be there we both would give you and everyone else a big hug. We are thinking of you and your family and miss all of you.*

We know that you are going through a tough time. We want you to know that we are thinking of you and wish we could be there to help in some way. Our hearts and thoughts are with you.

“ *I've known Chad since our Cubs football days. He was always one of my favorites. I talked with him at different times, after he was grown. I always felt a bond with him-maybe even more than my other ex-Cubs. I'll miss him. At times, I felt like I got to see the Chad that most people didn't get to see. As sure as Jesus is our savior, Chad is by his side. May he rest in peace, and I hope to see him again, one day.*
