“ I worked as a care giver for Miss Sue. She indeed liked things done her way. I have fond memories of playing cards with her and the rare occasions that I won. I will never be able to watch Dr Pol without thinking of Miss Sue. Now she has gotten what she wanted & may she forever rest in peace.

“ God broke the mold when He made Sue. One of a kind. Never sugar coated her words. I called her “Boy named Sue” and she approved.

“ Sue attended Fomby Cumberland Presbyterian church. We all loved Sue! When I visited her in the nursing home she would tell me she was praying that God would take her to her heavenly home soon. Prayers for her family. May God bring you comfort
