“ *I served with Susan in Ft. Bliss and have been friends with her for years. She was always a happy and uplifting person that brought a light and brightness into any room or situation. She loved everyone unconditionally and was a friend to everyone and anyone she would meet. She was a beautiful person and a hero to the Nation that will be terribly missed.*

“ *Susan was the most amazing, kind hearted, loving person anyone could ever meet. She would walk into a room and have anyone laughing in no time even if she didn't know you. There were no strangers in Susan's life. Everyone she met became an instant friend. With her passing, this world is a lot dimmer without her shining light. She was my friend and my fellow veteran. She is greatly missed but wherever she is, I'm sure there is laughter and smiles all around.*
