“ *Suzanne was a classmate and high school friend. I was a candidate for a school office and Suzanne made numerous posters for me and filled the halls with them. Many people say they are your friend but Suzanne showed her friendship by putting effort and work behind it. She will be greatly missed but forever a special AHS friend.*

“ It’s hard to describe Suzanne -she was a loving, devoted, sweet and kind woman. She did have a mean streak in her tho and you’d better not cross her. I loved her and will miss her til I see her again - I’m sure she has her tea and a good book just waiting for all of us.
