“ Wanda, we are so sorry to hear of Tad's passing. At a time like this, words cannot convey what we are feeling in our hearts. Just know, you and the family are in our hearts and prayers as you adjust to the lonely days ahead. So many fond memories of work, eating out, good visits, and playing music and singing together at church. We shall cherish those forever! We won't be able to attend the services, but will be with you in our thoughts and prayers. Love you Wanda!

“ R.I.P. Mr. Webber, My first memory of you has always defined you to me. Your youngest daughter, Derinda and I were friends and I had spent the night with her and we (you, Wanda, Vloye, Mike and Derinda and I had gone to New Boston to visit your relatives and on the way home, you guys as a family started singing gospel songs...it was so beautiful to me and I admired you so much as the head of your family, the loving man you were, was so evident to me. I left that weekend with such a love for the Webber family. I always felt so at ease when I was around you, then at that time I was not sure why but as I became aware of Christ, I knew it was Christ in you that brought such peace to my heart when I was in your presence. You, Sir, were a most excellent example of a Godly husband and father. Thank you Wanda, Vloye, Derinda and Mike I know you know how incredibly blessed you were to have this man as the leader of your home. Truly you were blessed above all blessings. My prayers and love sent to you on the wings of love. Love each of you dearly and treasure always the memories of my visits in the Webber home.
