“ *Tammy was such a sweet person. Have known her for 30+ years. She always had time to visit and fill us in on her family that she loved so much. I know heaven has gained a Beautiful Soul.*

“ *I met Tammy in 2007. We were connected at the hip for several years. We spent hours just talking about our lives... She is a beautiful person that loved her family and friends. She is a wonderful mother and a wonderful grandmother... Always there with encouragement to anyone and everyone. Each person that ever needed her she was there for them. She is a strong woman. Through the loss of a Son, Husband, and her Father. She was still carrying on every day through tears and fears she prevailed. She is the most beautiful Angel in heaven. ...*

“ Tammy was my best friend, she made me feel on top of the world when we was together. Have so many wonderful memories, but one of my favorite is us going to Orange Beach to meet up with the kids for a family trip they had envied me to come on (they was my family). Me and Tammy took our time. But mostly because we got lost a few times. We laughed all the way up there. I can't see at night and scared to cross over water. The last 5 hours or more. She would say watch for a sign or something. I would say I see dark and smell water we maybe a hour at the most Tammy from there. She would laugh and tell me Girl you crazy. How long do you think a hour is. Lol. That being 3 hours back. I was blessed to know her but extremely grateful and blessed she let me be her friend. Thanks Tammy for the best 3 1/2 yrs of my life and making me family. Love and miss you.

“ The heart Tammy had for others is a super rare gift to all the many folks that had the privilege to know her and be blessed by her. She showed kindness to even the unkind. Oh, my at the love she had for her children and grandkids. She would let you know that just by the glow she had as she talked about them. Rachel, Bo, and Shelby; you must carry her memories in your heart. Be thankful for memories as they are a treasure. As you well know I loved your precious Tammy.  
I pray for God to comfort you.
