“ Tommy was a valuable member of the Richmond Fire Department. He spent countless hours working on fire department business. His ability to write and receive grants for the department were instrumental in building the Richmond Fire Department's vehicles, equipment for safety, purchasing the "Jaws of Life" system and many many other aspects of a volunteer department. Anyone who had the privilege of knowing and/or working with Tommy was truly blessed by his presence. He always had a positive attitude and a work ethic that is rarely seen today. He will be greatly missed by many people. Prayers for comfort and peace for his family and many friends.

“ So many great times together as we were all living in Southern Hills and joined family events every chance we got, and sometimes we made up reasons to be together. There was a punch Tommy made for all occasions and one of those times I ask for the recipe and he said”Di this is a old family recipe handed down from generation to generation and Tommy smiled and walked off He was a true Gentleman
