“ Tommy was always there when i needed him. one time i got my truck buried up to the axle in our side yard. The only person i new with a 4 wheel drive was Tommy so i called him. After work he came out and pulled me out like it was nothing.!! I could always count on him when it came to needing help. Now!!! My favorite deer camp story about Tommy. I herd about it second hand but one time Tommy pulled a small one man camper to deer camp and when the hunt was over some of the guys desided to play a joke on Tommy. i shall not mention who! They took his camper and wenched it up a tree so that it was standing straight on its end.! only wish i could have seen tommy,s fance when he saw it. I just know he went nuts!!!

JA

I worked 40 years with Tommy Crow in the Storeroom. He had a great work ethic & always did his share of the work. He was great fun to work with !!! He missed his calling; he was the most entertaining “story teller” I ever encountered. Never a dull moment at work with his stories!!! He should have been in Hollywood writing for all those comedians or he should have been on stage himself!!!!
He loved his 2 daughters, Shelley & Shannon to the moon and back !!!
He was so proud of both girls !!! I know he’s in HEAVEN entertaining all the angels. He will be greatly missed by so many people!!! I appreciate his many kindnesses all the years we worked together!!!!
Rest In Peace Tommy Crow; he was one of a kind !!! ❤️🌸
