“ *I met Wanda when she came to work for me at Millwood State Park. I was the maintenance supervisor for the park. Gave Wanda a riding mower and told her to keep the grass mowed. She would mow with a coffee cup in one hand and her little cigars in the other hand. She sat at lunch time drawing and talking about the house her and her husband was going to build. Loved Wanda's storie, she was a hoot.*

“ I didn't get to meet Wanda but we had several email conversations. If I had known Jerry and Wanda were just a little drive from Texarkana, I would have made that trip. I have shown my horses and camped at the Four States Fair Grounds for the last 5 years!!! I am Jerry's cousin. My mother is Dorothy, Aunt Milly's sister. I haven't seen Jerry since I was in the single digit age bracket! Which is a very long time ago. But he left a lot of great memories with me and I have always wanted to see him again.
