“ I am so sorry for your loss. Gail was a wonderful friend of my mothers (Vonnie) when we first moved here. I have ALOT of wonderful memories of her, and her and my mother growing up. She was a wonderful person. I know Pam was there to meet her at the gates of heaven and they will have alot to catch up on. Miss Gail will be missed by all that truly knew her. We had just reconnect by Facebook and it was great to see her. You and your family are in my prayers thru this time.

“ You are one of the strongest, most devoted and generous women I have ever known. You shared your love with, cared for, and raised not only your children, but the children of your children. You fought so hard to stay with us but now it's time for you to rest. So rest with the peace of knowing how loved you are and how proud I am to call you my mother in law. I love you. Melanie
