“ *What a blessing Mrs Wall was to all of us that knew her. I worked for her years ago at her little Children's store. She always set a wonderful example of the way we should live our lives. She was close to her Heavenly Father and now she is with him. God bless her sweet family. I loved her and all her family! Veda Jefferies*

“ *We are so sorry for your lose. We rejoice that she is walking the streets of Gold now with those you have past on but realize there is a feeling of lose also along with the joy for those on earth. She was such a very special person of God. We so enjoyed our visit with her and the many phone calls. Their was always laughter but it seemed you never came away from them without some wise words about life. God gave her great wisdom. Edward D and Marie L Blakely*

“ I remember Willie Wall from the Asdown Senior Citizen Center. She was a pleasant lady, always smiling and visiting with other participants.

When I think of the way she lived her life, these words come to mind... Surely, goodness and mercy will follow me all the days of my life, and I will dwell in the house of the Lord for ever and ever.

“ We loved this wonderful woman of God. She was a friend to all. We know she is with Jesus and enjoying walking on streets of gold with all her loved ones gone on before.

I remember that she always remembered the children with little gifts at Christmas. How she ever was able to keep up with so many I'll never know! It was always a joy to visit her.

May the peace of God be with all the family.
