“ I knew Sissy when I was a child. Her Dad & mine would fish & hunt together. We often stopped by their house. We lost contact for years but reconnected & it was like there wasn't a gap of years in our knowing each other. Sissy was always there for friends and family & will be greatly missed.

“ Our parents were friends when we were kids and our dad's were hunting buddies. There was 8 of us kids, so there was a lot of mouths to feed. I don't have a lot of memories of shared times but I always remember that she was sweet. She didn't change. She will be greatly missed. I am so sorry for the families loss of this beautiful sweet lady. My prayers are with you.
